

Letter of Invitation

Cornerstone Bible Church of Miami invites you to our First Annual 2010 Women's Conference!

We have been focusing our studies on the building up of the Saints. Women play a vital part in society, the family and the church and not enough has been done to help our women in their walk with the Lord, their daily struggles, and their challenges for future generations. We desire that our life will be a life lived in the power of the gospel, a life lived that accurately reflects Biblical womanhood, and a life lived to the glory of God in all aspects.

As Christian women, our lives begin with the gospel. Are you seeing Jesus as your loving Savior? Martha Peace will share her own journey with God, testifying to His power and might in her life, and then help us.

As Biblical women who are being constantly challenged by the culture in which we live. Martha will talk about biblical principles on how to renew your mind with Scripture. This also includes a practical application on humility, gratitude and obedience. Have you ever felt anxious or depressed? Do you struggle with vanity or find yourself caught in a cycle of manipulation? Martha will take us to the Bible to address these topics and teach us that the best way to 'deal with it' in our life is with God's Word.

Our prayer is that older and younger women will build their legacies together as they study God's Word together, reflect Biblical womanhood together and practically live out their faith together.
